RESPONSE

Assistant Commission for Patents
Washington, D.C. 20231

April 4, 2001

Sir:

In response to the Office Action dated October 4, 2001, the period for response having been extended for three (3) months until April 4, 2001, the following remarks are respectfully submitted in connection with the above-identified application.

REMARKS

Obviousness-type double patenting

Claims 1-16 have been provisionally rejected under the judicially created doctrine of obviousness-type double patenting as being obvious over claims 1-14 of co-pending application Serial No. 08/428,238. The Examiner asserts that the present invention, as encompassed by claims 1-16, which recite treatment with dedifferentiation medium for 1-6 days, is the equivalent of the invention of claims 1-14 of the '238 application, which recite that the explants have not been subject to dedifferentiation. The basis for the rejection is the assertion by the Examiner that 1-6 days of dedifferentiation medium will not result in
